3

Browse the store

Check out the awesome range of fresh seasonal produce and quality pantry staples available in our online store.

4

Your order is opened

Every Friday Groupme will open an order for the entire Collective. With the order now live, you're good to go!

5

It's time to shop

Log in, and shop for your groceries the way you usually do online. You're a pro already.

6

Check out

Double check your shopping list then finalise and pay for your order. Ka pai! You're done.

7

Forgot something?

Don't worry! Your order won't close until 12 noon on Monday. Just log back in and add to your shop.

8

Your Co-op order closes

Set your own Password and Login Name and we'll issue you with a Membership Number. That's it! You're official.

9

We submit the order

The Groupme team submit your total Collective order to each supplier by 5pm on Monday.

10

Suppliers spring to action

The products are picked, packed and despatched to your Collective HQ, arriving on your nominated delivery day. Exciting!

11

Receiving the order

Collective volunteers receive the deliveries and pack the products into member specific orders.

12

It's pick up time

Collect your order from Collective HQ, have a chinwag with your Collective buddies and celebrate your decision to join the Groupme revolution!
